

ClickSign®

eSignatures are just the beginning

Fast and compliant electronic document signing, management and storage! DocMagic ClickSign improves and optimizes the electronic signing process on desktop, tablet or mobile. Our intuitive workflow includes clear and simple tracking tools designed to give borrowers a successful signing experience each and every time.

Easy for borrowers; convenient and compliant for you.

Manage workflow from anywhere – follow the process surrounding active documents and then keep signed documents secure and encrypted with a tamper-evident seal, ready to be retrieved when needed.

Your documents are signed, secure, organized ... and all in one place.

- ✓ Borrowers read and review documents prior to execution.
- ✓ Advances automatically through documents with multiple signing options.
- ✓ Date- and time-stamped versions of documents provide a clear record of eSignatures.

- ✓ Track your active documents, sorted by both type and status.
- ✓ Capture any additional documents uploaded from the borrower.
- ✓ Secure, long-term storage and management for the mortgage document life cycle.
